Greetings Everyone,

Each February, we look forward to connecting with exhibitors, buyers and industry professionals, but given overwhelming concerns around COVID-19, we've made the difficult but necessary **decision to cancel our in-person 2021 Builders' Show.**

This is not a decision we have taken lightly. Every year, we look forward to and enjoy connecting with our fellow contractor and vendor community. However, based on consultations with great local professionals, we needed to prioritize everyone's health and well-being. We also felt a scaled-back or altered version wouldn't measure up to the type of top-notch, awesome builder show experience we're used to offering.

****ALERT****

Keep watching your email for time-sensitive SHOW SPECIALS we will be offering soon.

Please check with your Braun Sales Rep for more Specials, too.

We remain committed and dedicated to our contractor community and offer our assistance, professionalism and support for any and all of your building needs. We look forward to getting back to "normal" very soon. Please let us know how we can help you. Contact us [online](#) or by calling 682-0143.

Thank you for being a loyal customer!

Sincerely,

Paul Braun
President, Braun Building Center
